- 25X1A 1. [] Comment. No Central Armored Army Group has been previously
25X1A reported; it is believed that this refers to the Armored Force Command (see
25X1A [] for previous data on this force), which
was established in August 1950 under HSU Kuang-ta.
- 25X1A 2. [] Comment. It is believed that yuan (6678) is an error for ta (6671),
since HSU Kuang-ta is head of the Armored Force Command. With the exception
of HSU, no personalities can be identified.
- 25X1A 3. [] Comment. The 71, 72 and 73 Armies are not known to exist.
25X1A According to Attachment B of [] as of May 1951 the Armored Force
25X1A Command comprised the 1-4 Tank Divisions, the 1-2 Independent Tank Regiments,
an independent amphibious tank battalion, and an independent border defense
tank battalion.
